

**IN THE UNITED STATES DISTRICT COURT  
FOR THE SOUTHERN DISTRICT OF MISSISSIPPI  
NORTHERN DIVISION**

**UNITED STATES OF AMERICA**

**PLAINTIFF**

**V.**

**CIVIL ACTION NO.: 3:16-CV-00622-CWR-FKB**

**THE STATE OF MISSISSIPPI**

**DEFENDANT**

**DEFENDANT'S FIRST SUPPLEMENTAL RESPONSES TO PLAINTIFF'S  
FIRST SET OF REQUESTS FOR PRODUCTION OF DOCUMENTS**

The State of Mississippi (State) supplements its responses to Plaintiff's First Set of Requests for Production of Documents as follows:

**REQUEST FOR DOCUMENTS**

25. All documents from January 1, 2000, to the present concerning the State's Mississippi Access to Care ("MAC") plans and any plan that you consider an "Olmstead plan," and all documents and data used to develop those plans.

**Response:** The State objects to the Instructions and Definitions in Plaintiff's First Set of Interrogatories and First Requests for Production of Documents. Plaintiff's Instructions purport to impose requirements different from or in addition to the requirements of the Federal Rules of Civil Procedure (FRCP). Plaintiff's Definitions are overly broad, unduly burdensome, vague, ambiguous, contrary to the scope, purpose, and intent of the FRCP, they seek documents that are neither relevant to the issues in this case nor reasonably calculated to lead to the discovery of admissible evidence, and they attempt to impose discovery obligations that are disproportionate to the needs of the case. The State will respond in accordance with the FRCP.

The State objects to Request No. 25 to the extent that it seeks documents protected from disclosure by the attorney-client privilege or work product doctrine. In addition, Request No. 25 is overly broad, unduly burdensome, vague, ambiguous, and contrary to the scope, purpose, and

intent of the FRCP; it seeks documents that are neither relevant to the issues in this case nor reasonably calculated to lead to the discovery of admissible evidence; and it seeks discovery that is disproportionate to the needs of the case. Without waiving these objections, see the documents produced as MS-00001222-1345. Additional non-privileged documents responsive to this Request will be produced at a later date as part of Defendant's rolling production.

**First Supplemental Response:** Without waiving the objections set forth above, see the documents previously produced as MS-00001222-1345, MS-00013150-00013155 and the documents listed on Exhibit 1 to this Supplemental Response. See also MS-00145948a and MS-00145948b and the documents publicly available at <https://medicaid.ms.gov/mississippi-access-to-care-mac-2-0/>. The "Olmstead plan" consists of the MAC plans and the final Strategic Plans (and progress reports) of DMH, EMSH, NMSH, and SMSH from FY 2012 forward which have been previously produced (see, e.g., the documents listed on Exhibit 1 to this Supplemental Response).

Respectfully submitted,

PHELPS DUNBAR LLP
